JERUSALEM WINERY
ISRAEL

In the Judean Mountains surrounding Jerusalem sits a vineyard, bathed in Mediterranean sunlight and gently cooled by the breeze from the Israeli Coastal Plain. In this idyllic climate, the grapes that go into the Jerusalem Hills wine collection reach their full flavor potential.

Including such popular varietals as Merlot, Cabernet, Shiraz, Sauvignon Blanc, and a sweet Muscat, the vintners of Jerusalem Winery have successfully taken a piece of the heart of Israel and bottled it. And now, they share it with the world - from the hills of Jerusalem to your table.
